

Clinical Supervisor Ontario Autism Program Permanent Full-time Position in Kenora and Rainy River Districts

Guided by our values, Child & Community Resources' (CCR) vision is to connect and engage in quality experiences every day. We strive to make a meaningful difference to those we support by building relationships, empowering others, promoting wellbeing and supporting lifelong learning. If you are interested in making a difference for children and youth with a diagnosis of ASD and their families in Northwest Ontario while experiencing beautiful landscapes and inspiring culture, there is an immediate job opening for a **permanent, full-time position of Clinical Supervisor in the Ontario Autism Program (OAP)** in the Kenora and Rainy River Districts.

As an integral member of a dynamic team of experienced and well-trained professionals, you will assume the role of Clinical Supervisor across OAP Services and Supports providing behaviour analytic services and clinical oversight. You will have the opportunity to apply behaviour analytics in unique and complex contexts. You will oversee quality assurance, including the provision of staff training and evaluation, and you may have opportunities to carry out applied research. You will assume accountability for your work and for those you supervise in accordance with legislation and standards of practice of the Behaviour Analyst Certification Board.

You have a master's degree in behaviour analysis or psychology and certification with the Behaviour Analyst Certification Board completed or in progress. Three years' experience training and supervising others to provide behaviour analytics. Competency in delivery and oversight of ABA Services, including intensive treatment, behavioural assessment and treatment of children and youth with ASD. Your superior interpersonal skills are coupled with experience working as a member of a diverse and collaborative team. Ability to communicate in both official languages is an asset.

We offer competitive salary, benefits and eligibility for the Grant Assistance Program for Autism Professionals to support educational advancement.
