

Thunder Bay Sibshops Events

**For siblings of children with an Autism Spectrum Disorder
aged 5-12 years old.**

Sibshops are an opportunity for siblings to obtain peer support and education within a recreational context. The events will emphasize exciting new games, new friends, and discussion activities.

Siblings will have the opportunity to:

- Meet other siblings in a relaxed, entertaining setting
- Play a lot of fun games
- Share experiences with other siblings
- Learn how others handle situations commonly experienced
- Make new friends
- Learn more about Autism Spectrum Disorders

Dates:

Monday, March 11th to Friday March 15th, 2019 - 9:00 a.m. to 12:00 p.m.

Register for one or all sessions.

Location: To be determined and communicated to families prior to Sibshops event.

Space is limited.
